Recent tour of Las Vegas was amazing! Well set up and had a great set of coaches who supported us girls the whole way through the tournament and was there for us at every given moment. Gave us great exposure to college coaches, would recommend these guys. If anyone wants to go to America on a scholarship these are the guys!

Would highly recommend using this company. The process has been very easy and quick, especially with their constant support. I had the privilege of going to Las Vegas and i thoroughly enjoyed it and would highly recommend anyone wanting to go next year. Woulda't want to use any other company.
